Capt. Constance E. Roberts
710 High St.
Newark N. Jersey

Dear Captain:

I am enclosing you a copy of a letter I have just received from Major Brame of Camp Kilmer, which is self explanatory.

The Eagles will be very happy to go play the ballgame, but due to the fact ODT will not permit us to use our own buses, we are terribly handicapped in getting around. It will be very much appreciated by us, and I know by the soldiers, if The Red Cross Motor Corp will arrange to take the team to camp.

The camp would like the game to start at 5.30 PM, so it will be necessary to leave Newark about 3 o'clock. The most convenient place to pick the team up will be The Grand Hotel 78 West Market St.

There will be about eighteen men plus bats and other necessary equipment.

Thanking you in advance for your assistance in this program.

Very Truly Yours

PS.

I am writing Major Brame now to tell him we will be there Wednesday June 2nd in time for a game at 5.30 PM, and in case of rain we will be able to come the next day Thursday June 3rd, if we can arrange transportation.
